PROFILE

I'm a passionate and dedicated MERN Stack Developer currently in my final year of pursuing a degree in Information Technology. Proficient in MongoDB, Express.js, React.js, and Node.js, I'm actively building real-world projects to strengthen my development skills and deepen my understanding of full-stack web technologies. As a fresher, I am eager to begin my professional journey and contribute to innovative teams through internships or entry-level roles where I can continue to learn, grow, and make meaningful contributions.
