PROFILE

I am a passionate MERN Stack Developer skilled in developing full-stack web applications using MongoDB, Express.js, React.js, and Node.js. I have built real-world projects with a focus on responsive design, clean UI/UX, and efficient APIs. I am actively seeking an internship or entry-level opportunity to apply and grow my skills.

SKILLS

- Reactjs
- Node.js
- Express.js
- MongoDB
- Git / Github
